Other practicalities

Changing some Norwegian Crowns (NOK) already in Denmark is smart as there might not be much time to change/go to a bank machine in Oslo.

There is no need to bring bed-sheets, they will be provided on the boat and at the hostel.

You do need to **bring a towel** for use in the hostel.

There is probably no internet at the boat, but there are a few terminals available at the hostel, and the wireless internet might be working too.

Bring your **passport or identity-card**; you'll need this to check in at the ferry.
